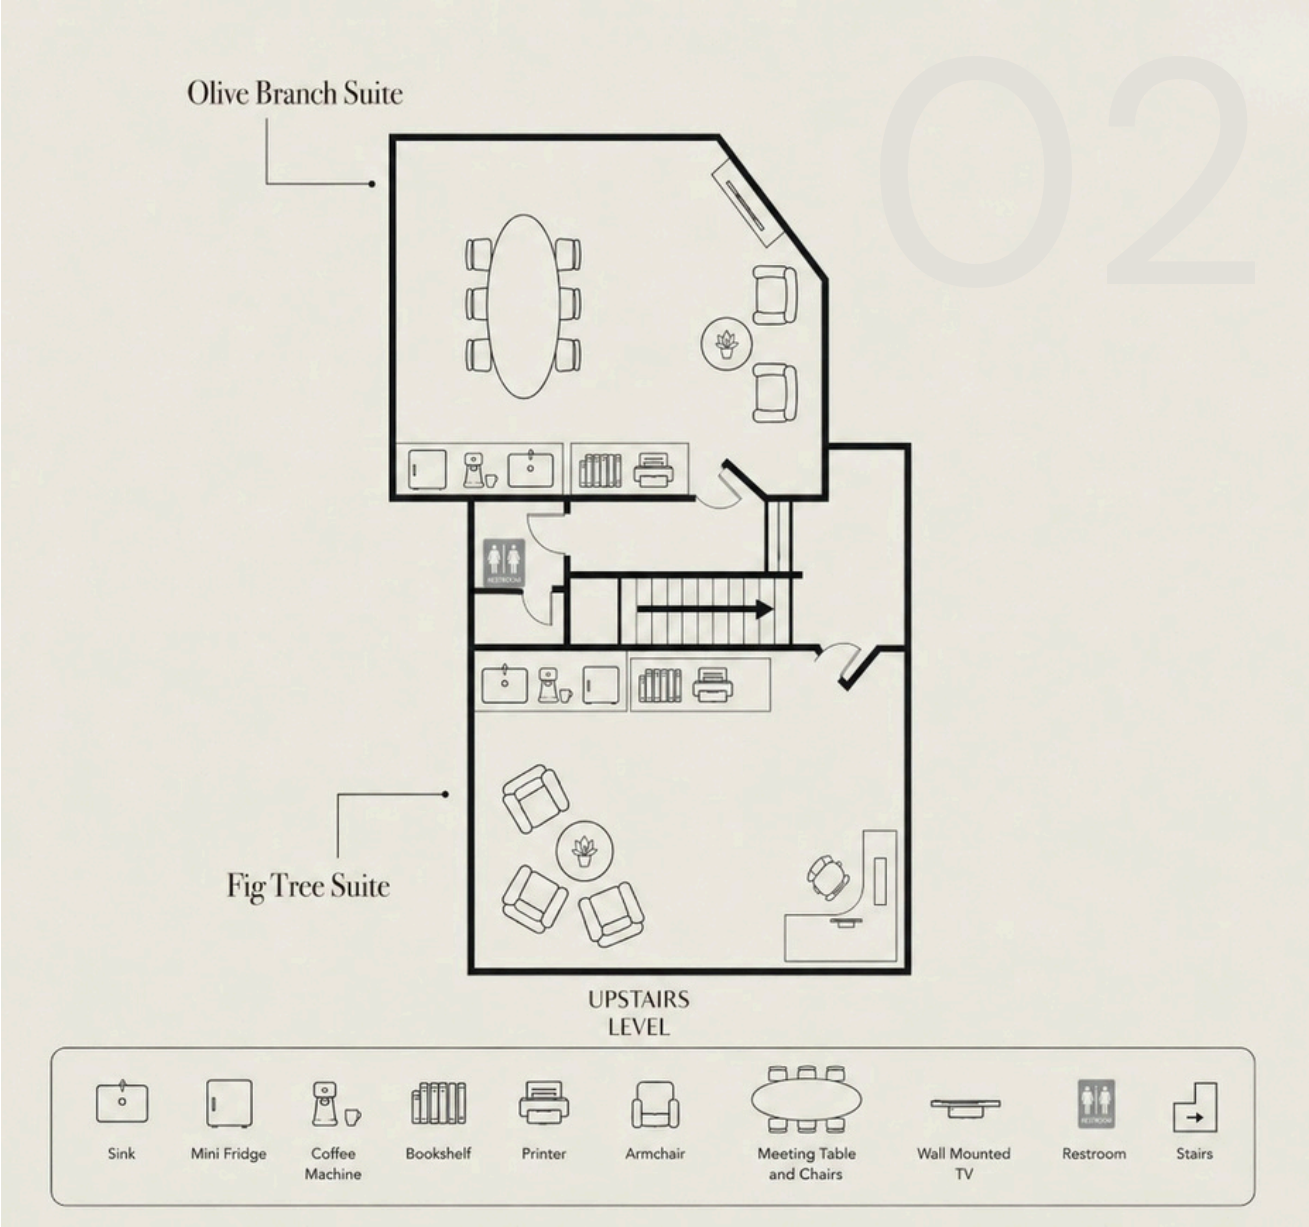
Welcome to The Resolution Suites

A specialist professional venue in the heart of Strathpine, created for the particular needs of family law and therapeutic work.

The Resolution Suites brings together privacy, thoughtful preparation and professional functionality across two distinct suites — providing practitioners and service organisations with a calm, flexible environment for specialist work.

Available to independent practitioners and organisations across Moreton Bay and Brisbane North.



The Venue

Two private suites. One flexible professional environment.

The Resolution Suites comprises two distinct spaces — Fig Tree Suite and Olive Branch Suite — each available to book independently for private professional appointments.

For matters requiring additional space, physical separation or coordinated use of multiple environments, both suites can be reserved together as The Canopy, providing exclusive use of the full venue.

FIG TREE SUITE
A flexible, softly furnished suite suited to child, family and therapeutic work.

OLIVE BRANCH SUITE
A generous professional suite for mediation, interviews, meetings and therapeutic work.

THE CANOPY
